“ Julie was in my Algebra II class when I came to SSHS as a junior. She was so sweet and kind to me when I didn't know anyone. She was very smart and helpful to everyone. I always loved seeing her later after high school and catching up. She always remembered me and took time to talk to me. She was beautiful inside and out. My thoughts and prayers will be with all the family. I can't begin to imagine how you will miss her.

“ *So many memories and good times we had. You had a soul that yearned for your day to meet Jesus. You assured me once that you were ready. I look forward to seeing you there one day soon. But for now just dance the golden road and praise Him for your healing. We love you*
