“*Nakia was the melody I loved to hear in my ear during choir. I always admired her beautiful voice. No more pain your wings you have gained.*

“*I remember in 2011 we worked together at Pharmedium and we found out we were both pregnant. I was only 22 and this was my first child and you would always remind me that God will make everything alright! A true God fearing woman that always had encouraging words and a smile on your face no matter what the circumstances were!*
