“ *Deon was the Best big cousin ever!!*
The loudest coolest fun caring loving person in the room. He always had the entire family backs through the good & bad times. We alllll Love him dearly & going to miss him. He was always real & always himself. Our kissing cousin with the wet kisses, we called him that because when he kissed us on our cheeks he'll leave it wet LOL... Deon was in a great deal of pain but didn't bother us with because he was too busy trying to keep us all happy. He loved his cousins as if we were his children. God blessed us with a one of a kind cousin. It broke our hearts when God called him home to be with him. At the wake the director was playing gospel music, suddenly my favorite r&b song come on "Love" by musiq soul child. I knew that was him who dedicated that song to me right when I was sitting on the chair staring at him talking to him. Of course I noticed right away because of how spiritual I am & he knew it.
I Love You So Much Deon, we all do, big cousin.
P.S Continue to watch over us.
Sincerely, your lil big cousin Tonia.
